In case you missed it in our last newsletter, the City of Roseville and Grow Roseville launched Choose Roseville, a campaign with the simple goals of helping local businesses with online marketing and helping businesses to fill open positions with quality employees through Ramsey County's job posting website. Did we mention that the Choose Roseville services are provided at no cost to the business? The services are free with no strings attached.

Looking to escape from the day-to-day?

If you're looking for a new date night idea or a place outside of the office to bring your team closer together, then look no further. HiddenMN offers unique escape room experiences, axe throwing, and puzzle box rentals. Want to stay in? HiddenMN can bring the experience to your site with their mobile and virtual escape rooms.

Owner, Trish Waldoch, started HiddenMN in 2020 after several years of enjoying escape rooms and puzzle boxes. She loved them so much, she decided to [literally] build Roseville's first escape room experience. Each escape room and puzzle box at HiddenMN was designed and created by Trish and her dedicated staff. A strong supporter of local businesses herself, Trish hosts seasonal arts and craft fairs from local artists and continues to grow the local collection of craft beers offered at HiddenMN.

"Getting the business up and running during the COVID pandemic was a challenging journey with many ups and downs," says Trish. Trish considers her staff to be an extension of her family and hopes to extend that feeling to every customer who comes through HiddenMN doors or uses their mobile services.
